

Dear Parent:

We would like to continue the practice of encouraging students to read books appropriate to their reading level during the summer. Fifth graders are required to read three **chapter** books, each with a minimum of one hundred or more pages. Books from the following categories should be read: mystery or adventure, biography, and a selection of their own. I also suggest that students enter a summer reading program at a local library.

In His service,

Mr. Beggs
